## **TESTIMONIAL**

### **TO: NOT JUST A COPY SHOP**

Sometime ago I asked Lou from NOT JUST A COPY SHOP to print some Print on Demand Reports that I give to my different clients, companies and businesses.

Lou gave me a guided tour of his shop and it was like being shown the cockpit of a Qantas Airbus. I was impressed with the efficiency, professionalism and the systematic processes Lou had in place to deliver the best to his customers.

At the same time I was a bit sad as I saw that if my father, who had also run a printing shop, had at his disposal such resources, he may well have survived the printing business.

Lou, Robyn and Jodie were helpful, courteous and patient as I changed my mind a few times as to the type of printing I wanted.

I am very happy with the work that I have already given out to people and I will continue to recommend Lou and his shop to everyone who needs such good work and service.

Regards

Sam
