ARTWORK SPECIFICATIONS BLEED - Please ensure 3 mm bleed os added to finished size of all document, with 4 mm internal bleed on all critical elements including borders.

BORDERS - Please do not use borders that are designed to create an even margin around the document. A trimming tolerance of \pm 1.5 mm must be allowed for. **COLOURS** - Ensure colours are CMYK. PMS & RGB colours are automatically converted and will

generally produce undesirable results. Only use PMS colours if they are intended to be used as such. If artwork is not set to CMYK we do not take responsibility for the outcome. Variations in colour between print runs can be due to atmospheric conditions and varying stock properties. **DOCUMENT SIZE** - Your document size must be finished size plus 3mm bleed all around the

FILES - Embedded press ready PDF files are preferred. **IMAGES** - Images should be in CMYK at 300dpi minimum for the intended size of the image. **RICH BLACK** - To ensue a nice rich black use the following values: K 100%, C 30%, M30%, Y 30%

PAGES - Always supply artwork 1 up. Booklets to be supplied as single page PDF documents **TEXT** - Please convert text to outlines, curves or paths where possible. Do not use rich black for

text. Use 100% black only. Please set black text to overprint. **WATERMARKS** - Watermarks or images used for similar purposes, should not be set at less than 3% ink coverage.

PRICES MAY CHANGE WITHOUT NOTICE. GST INCLUDED. CURRENT AS OF JAN 2016 *FREE DELIVERY IS SUBJECT TO INDIVIDUAL ORDER DETAILS, PLEASE ENOUIRE.
